WEB DEVELOPER

APEX PUBLIC SCHOOL
MAR 2021

- "Designed and maintained the Apex Public School website, enhancing user experience and ensuring easy access to
- Educational resources for students and parents."Implemented responsive web design techniques at Apex Public School, ensuring optimal viewing across various devices and promoting

engagement within the school community."

Data Entry

Ghohary Readymade Garments

"I have experience in efficiently managing data entry tasks in a readymade garment store environment. My responsibilities included accurately inputting inventory details, sales records, and customer information into the database. I am proficient in using [mention any specific software or tools], ensuring data integrity and timely updates. My attention to detail and organizational skills have allowed me to maintain a high level of accuracy while meeting deadlines. I am adept at handling large volumes of data and ensuring smooth operations through effective communication and teamwork."
