PROFESSION

- **ELECTRICAL TECHNICIAN**

OBJECTIVE

As a Electrical technician With over 10 years of experience in two government power distribution companies, I possess a strong background in managing power distribution networks, performing maintenance and repairs, and troubleshooting issues. My expertise also includes installing, testing, and maintaining electricity meters, as well as collecting and analyzing meter readings. I prioritize safety and compliance, collaborate with other teams, and perform routine maintenance to ensure efficient operations. My experience has equipped me with the skills to document and report meter activities accurately.
