About me

Dedicated and highly experienced Security Guard with 14 years of expertise in security operations, access control, surveillance monitoring, and customer service. Proven ability to maintain a safe and secure environment for employees, visitors, and assets across various high-profile locations in the UAE. Holds a valid UAE LTV Driving License and SIRA Certification (2023). Adept at handling emergency situations, enforcing security protocols, and providing exceptional customer service while ensuring compliance with legal and organizational standards.

Experience

Security Guard

Arkan (Ejadha Asset Management Group LLC), UAE

March 2017 - Present

- Ensured top-level security operations across multiple high-profile locations, including Global Village, Discovery Gardens, Al Khail Gate, Nuzul Camp Jebel Ali, Dubai Mall, DIFC, Blue Waters, and Empower Business Bay.
- Conducted regular patrols to deter unauthorized access, theft, vandalism, and other security threats, ensuring a safe environment for residents, employees, and visitors.
- Monitored and operated CCTV surveillance systems, alarm panels, and other security technologies to detect suspicious activities and prevent security breaches.
- Controlled access to restricted areas, verifying identification and maintaining strict entry/exit logs to ensure compliance with security policies.
- Provided exceptional customer service, assisting visitors and responding professionally to inquiries and concerns while maintaining a strong security presence.
- Prepared detailed security reports, documenting daily activities, incidents, and any irregularities, ensuring proper communication with management and law enforcement when necessary.
- Coordinated emergency response efforts, including fire drills, evacuations, medical emergencies, and security incidents, ensuring swift and effective action.
- Inspected and maintained security equipment, including alarms, fire extinguishers, and access control systems, reporting malfunctions for immediate rectification.
- Managed crowd control and risk assessment during high-traffic events and public gatherings, ensuring order and safety at all times.
- Trained and mentored new security personnel, sharing knowledge of best practices, emergency procedures, and conflict resolution strategies.

Security Guard

Al Fajar FM, Dubai, UAE

November 2011 - August 2016

- Maintained high-level security standards in commercial, residential, and corporate premises, ensuring the safety of property, employees, and visitors.
- Conducted extensive security patrols to detect any irregularities, unauthorized access, or suspicious activities, taking immediate corrective actions when necessary.
- Implemented security screening procedures at entrances, preventing unauthorized items from being brought into restricted areas while ensuring smooth access for permitted individuals.
- Responded rapidly to security alerts, alarms, and emergency situations, coordinating with law enforcement and emergency personnel when required.
- Assisted in fire safety drills and emergency evacuations, ensuring all individuals followed safety protocols and evacuation procedures.
- Managed security operations during events and large gatherings, providing crowd control, preventing conflicts, and ensuring compliance with venue regulations.
- Maintained accurate incident reports and security logs, documenting all security-related occurrences and presenting findings to management for review.
- Carried out risk assessments to identify vulnerabilities in the security system and recommended proactive measures to mitigate potential threats.
- Conducted physical searches and bag checks when required, ensuring the safety and compliance of all individuals entering secured premises.
